

Residential Recycling Guidelines

Recycling List

revised 7-1-14

Paper and Cardboard Products

- Newspapers, magazines, flyers
- School paper & office paper
- Flat cardboard (cereal boxes, etc.)
- Corrugated (brown) cardboard
- Paper board, poster paper, cartons from laundry soap
- Construction paper
- Envelopes & junk mail
- Clean pizza boxes & phone books (with cover removed)

Shredded paper should be contained in paper bags - plastic bags cannot go into recycling.

Please flatten corrugated cardboard as much as possible

CANNOT BE RECYCLED – Styrofoam egg cartons, greasy pizza boxes or pressed paper

Container Products (plastic, glass, cans, paper cartons)

- Metal Cans: food, drink, pet food, beer cans, etc.
- Aluminum cans & aluminum foil, foil plates
- Milk cartons, juice boxes, cream, orange juice, soy milk, etc.
- All plastic containers (#1-#7): soft drink, juice, cat litter jugs, house hold cleaners, etc.
- All colors of glass bottles: food, baby food, drink, liquor, and wine bottles
- Aerosol cans and plastic clam shells (lettuce containers, for example)

Please clean these items and flatten them as much as possible

CANNOT BE RECYCLED – Anti freeze containers, windshield washer fluid bottles, no flower or plant containers. Some glass cannot be recycled: window glass, eye glasses, ceramic (clay) pottery.

Empty paint cans can go into household trash
